

**RESOLUTION ON DEMOLITION OF UNIVERSITY BUILDING –  
BUILDING NO. 0316**

The university requests approval to demolish Building No. 0316. This facility is a 1,136 gross square foot concrete masonry unit and wooden roof structure. It is located at Virginia Tech's Blacksburg campus in Montgomery County, Virginia. Constructed in 1955, the building was used as a family residence and storage. Currently lying vacant, the building has fallen into disrepair. The university seeks to demolish the structure for two reasons. First, to prevent safety and environmental concerns. Second, to facilitate the expansion of the adjacent airport. The university will also obtain approval from the Department of Historic Resources and the Art and Architecture Review Board prior to the demolition of this structure.
